General Studies/Transfer Studies AA

Internet Journalism-Concentration

Program Description:

The degree in Internet Journalism will provide the graduate with an associate's degree which will lead to a bachelor's degree in Online Journalism. This major prepares students by teaching Web publishing, Web design, and visual imaging.

Career Outlook:

Job opportunities will be best for applicants in the expanding world of new media, such as online newspapers or magazines. Small local papers and news stations also will provide greater job prospects for potential reporters and news analysts. For beginning newspaper reporters, freelancing will supply more opportunities for employment as well.

Employment Opportunities:

News analysts
Reporters
Coorespondents

Salary Forecast:

For them most current salary information please refer to the Bureau of Labor Statistics "Occupational Outlook Handbook" found at www.bls.gov/ooh/.
