Mountwest Administrative Procedure

Fundraising & Gift Acceptance

1. The Office of Development/MCTC Foundation is the central repository for the receipt, recording and acknowledgement of all gifts to Mountwest Community & Technical College irrespective of designation or purpose. The director of development must be immediately notified upon receipt by any individual, department, student club or organization of any contributions of cash, securities, tangible personal property, gifts-in-kind or any other form of voluntary support that is covered by this policy.

2. The director of development serves as the officer of Mountwest Community & Technical College designated by the president to coordinate, approve, staff and otherwise support all fundraising communications, activities, events and programs for the express purpose of raising and acknowledging voluntary support from all individuals and entities to benefit MCTC programs and activities.

3. The cost of any fundraising activity that has not already been established as an institutional priority shall be considered ancillary and, therefore, must be funded by the sponsoring organization or from the proceeds that result from the fundraising activity.

4. Faculty and staff members must submit a Fundraising Request Form to the Office of Development prior to engaging in any fund raising activities. The director of development will review the request and determine if and when the fundraising activity will be scheduled in accordance with the established fundraising priorities of the institution. The applicant can expect to receive feedback on his/her Fundraising Request Form no more than 10 business days after the request is filed.

5. If permission is granted to conduct the fundraising activity and if the activity entails improvements to the campus or to any MCTC-owned or leased property, the fundraiser organizers must additionally seek approval from the president of MCTC.

6. Consideration of the use of a third-party vendor for the purpose of soliciting gifts to Mountwest Community & Technical College and/or the transmission of any constituent information such as names, addresses, e-mail addresses and telephone numbers for such purposes must be approved by the director of development.

7. If the planned fundraising activity will involve the use of the MCTC logo, seal or other trademarked graphics, organizers must consult with the marketing and media coordinator. The marketing and media coordinator should also be consulted on any media or Web promotions related to the fundraising activity or financial gift.
Responsibility
It is the responsibility of the director of development or his/her designee to review requests to conduct fundraising activities designed to benefit Mountwest Community & Technical College programs and activities and to evaluate such requests in light of the MCTC's established institutional priorities.
