MCTC Administrative Procedure

MCTC Residency Requirement

MCTC requires that all single full-time freshmen and sophomore students taking 12 or more semester credit hours of synchronous classes on the Huntington campus, whose principal place of residence is outside the 50-mile radius of the Huntington campus, reside in the University residence halls and participate in a meal plan.

This requirement does not apply to students who are 21-years of age or older or have custody of dependent children.

Exemptions may be granted by the MCTC Dean of Student Services to students who can demonstrate extenuating circumstances that prohibit them from staying in the residence halls. Prior to the beginning of each semester, a list of all exemptions, inclusive of their respective justifications, will be provided to the Transition Oversight Committee.

Enforcement of this procedure rests with the MCTC Dean of Student Services.

This procedure supersedes all existing procedures relating to residency requirements for MCTC students except for previous bond covenants.
