

Assessment Day, Wednesday, April 9, 2008

Be sure to bring your 901 number to be registered for the prize drawings

Assessment is an important way for us (the instructors and the College) to evaluate what you have learned. That helps us improve student learning and our courses and programs. Your input makes a difference. Planning is under way for Assessment Day 2008.

Classes will not be in session from 8 a.m. – 4 p.m. that day (with evening classes meeting as scheduled) so that you may participate in assessment events. Assessment activities and prizes will be available for students, faculty, and staff. Check the Assessment Day Web page for updates:
