FALL 2016 PEER RECOVERY COURSES!

Peer recovery support specialists assist individuals with sustained recovery from addiction and/or mental health issues. These specialists are not clinicians; they serve in supportive roles within the community and/or a treatment setting to advocate, mentor, and support individuals in recovery. They help individuals gain access to resources in the community by assisting them with overcoming barriers.

Meet with your Student Success Counselor to add these courses:

PRSS 101 - Section 101: Peer Recovery Support Services (1st 8 weeks)
   Mondays, 4:00–6:20 pm in Room 358 | CRN 1607

PRSS 102 - Section 101: Peer Recovery Support Services (2nd 8 weeks)
   Mondays, 4:00–6:20 pm in Room 358 | CRN 1608

If you have any questions please see your student success counselor or contact Candace Layne at 304.710.3388.
