Department of Workforce Development

Mountwest Community & Technical College offers a wide range of short-term, non-credit, skills training that can provide you or your family members with opportunities for professional development and personal enrichment. Call (304) 710-3512 for more information on these and other training programs offered at Mountwest Community & Technical College. Or visit www.mctc.edu for more information on current course schedules, costs, or a complete listing of professional development and personal enrichment classes.

Customized Training

The college provides customized training to business and industry. It proactively assists business in identifying organizational goals, training needs, and appropriate solutions to keep pace with changes. Cost-effective training is provided by Mountwest Community & Technical College faculty or contracted training specialists at a time and place convenient to the customer.

Industry-Recognized Skill Set Training and Certifications

The rapidly changing demands placed on business require continuous improvement and training to stay current and competitive in a global economy. The college insures quality training by developing and implementing training solutions that meet local, state and national certification requirements of industry and government agencies.
The following specific skill set training, preparatory classes, testing and assessments prepare individuals for occupational licensures and certifications required by local, state and national government agencies and industry.

Maritime Academy

The Maritime Academy provides entry-level training and more than 20 U.S. Coast Guard-approved licensure-training programs for the inland maritime industry which includes the fast track program of deckhand basic training for direct employment into the industry. A full schedule of Maritime Academy courses can be viewed at: http://www.mctc.edu/maritime-academy/schedule-of-classes

NewForce Intensive Software Development Training Bootcamp

NewForce is a demand-driven, six-month (1,000 contact hour) intensive software development-training program to meet existing hiring needs in software development. This is a full-time training program, which runs Monday-Friday from 9am-4pm. The training culminates in a Job Interview Day where the program's pre-committed Employer Partners interview NewForce graduates for open software development positions. See newforce.com for the most up to date list of Employer Partners.
