

Mountwest Community and Technical College Financial Aid Office 2019-2020 Dependency Override Request Form

Student Instructions

Dependency status for financial aid is established by the US Department of Education when you complete your Free Application for Federal Student Aid (FAFSA). Only unusual documented circumstances, which are beyond the control of the student, may result in a dependency override. According to federal regulations, exceptions cannot be granted due to a parent's unwillingness to apply for financial aid or contribute to educational expenses or because a student is self-supporting.

Examples of unusual circumstances include but are not limited to parental abandonment, incarceration, parental mental incapacity, physical or emotional abuse, drug abuse or severe estrangement.

If after reviewing the above information, you feel that the circumstances in your family warrant a dependency override, complete the Change in Dependent Status Form. You will also need to submit **ALL of the following**:

- 1) Submit a formal, written statement explaining your unusual circumstances.**
- 2) Submit letters from third parties who have knowledge of your situation and who can verify your circumstances. Letters from relatives are acceptable but at least one letter **MUST** be on letterhead from a clergyman, guidance counselor, physician or social worker. Include a telephone number and an address on all letters.**
- 3) Submit a signed and completed Verification Worksheet.**
- 4) Submit your Federal Tax Return Transcript for the most recent tax year **OR** if you did not file a federal tax return, please explain in your written statement how you are financially supported and obtain a Verification of Non-Filing Letter from the IRS.**
- 5) Other documentation to support your unusual circumstance.**

Failure to furnish all required documents will result in a processing delay and may result in denial. Additional documentation may also be requested from you or the third party by

the Financial Aid Office. You will be notified in writing of the decision within 3-4 weeks of its submission.

All information and documentation provided is considered confidential and protected under the Family Educational Rights and Privacy Act (FERPA) part of the Privacy Act of 1974.
