

Veterinary Technology AAS

Career & Technical Division

Program Description:

Veterinary technicians are an integral part of veterinary medicine and they work under the supervision of veterinarians. Veterinary technicians are employed to assist in many veterinary tasks. They cannot diagnose, prescribe medications or perform surgery. Most veterinarians consider their technicians to have the same role as nurses would to general doctors and surgeons. They must be knowledgeable in many areas of veterinary care including anesthesia, surgery, bandaging, radiology, pharmacology, dentistry, nutrition, laboratory procedures, and animal care and handling. They are also required to communicate with clients and must possess office and management skills.

The Veterinary Technician program at Mountwest Community & Technical College consists of 78 credit hours. This is a two-year associate program and is not to be considered a pre-veterinary medicine program. The course of study will include biology, chemistry, anatomy and physiology, parasitology, nutrition, animal disease, anesthesia, pharmacology along with animal care, restraint and handling. Students will work with client pets, small animals and farm animals.

Students will gain experience by completing two practicums and an externship in veterinary facilities. Students will be placed in facilities at the program directors discretion so that they may obtain experience in different types of settings. Students will obtain approximately 440 hours of clinical experience.

Career Outlook:

Employment of veterinary technologists and technicians is projected to grow 20 percent from 2016 to 2026, much faster than the average for all occupations. Employment is expected to grow as veterinarians continue to utilize technicians and technologists to do general care and lab work on household pets.

Salary Forecast: For the most current salary information please refer to the Bureau of Labor Statistics "Occupational Outlook Handbook" found at www.bls.gov/ooh/.

Admission Requirements: Students must submit an application for this program as it is selective admission. Students must also:

- be accepted to Mountwest Community and Technical College prior to program admission
- have a 2.5 GPA from the institution currently or previously enrolled
- provide copy of ACT scores or other comparable testing
- have a minimum ACT math score of 19 or COMPASS algebra score of 36 or Accuplacer score of 85
- have a minimum ACT English score of 18 or COMPASS score of 71 or Accuplacer score of 5
- have a minimum Reading Accuplacer Score of 79
- must have 120 hours of documented voluntary/work experience in veterinary hospital or animal clinic with a minimum of 100 hours in clinic or hospital and 20 hours in an animal shelter
- consent to a background check and drug testing upon admission to the program (associated costs are responsibility of the applicant), with random drug testing and background checks during the course of the program. Once accepted the program, we will schedule for the drug testing and background checks to be completed.
 - Must pass drug test and background check for admittance into program
 - Must pass random drug testing and background check for continuation of program study
- Conviction of crimes such as felonies and misdemeanors may affect the ability of a Graduate to obtain state licensure
- must have proof of health insurance
- must receive or be willing to receive the Rabies pre-exposure vaccinations and Tetanus vaccination. If not completed prior to admission the student must receive the series upon admissions to the program (student is responsible for associated costs)
 - record of the Tetanus vaccination
 - record of pre-exposure Rabies vaccination
 - Rabies vaccinations are expensive so prepare for the associated costs
 - Three injections over a month. Cost range for the series (\$600-\$900)

Accreditation: The program is accredited through the American Veterinary Association (AVMA) based on accreditation requirements.

	HOURS REQUIRED FOR GRADUATION: 78						

¹ All courses must be completed with a grade of C or better.

² Choose from MAT 130, MAT 144 or MAT 145.

³ VET 210, VET 210L, VET 215, VET 215L, and VET 227 are co-requisites.

⁴ AH 151, ENL 111 and ENL 231 have a prerequisite of placement in 100-level English, and placement in 100-level reading.

⁵ CHEM 230 has a prerequisite of MAT 130, MAT 134 or MAT 145.

⁶ VET 220, VET 220L, VET 225, VET 225L, VET 260, VET 260L are co-requisites.

⁷ VET 220, VET 225 and VET 260 have a prerequisite of VET 210, VET 210L, VET 215, VET 215L, VET 227.

⁸ VET 285 has a prerequisite of VET 210, VET 215, VET 216, VET 220 and VET 260.

⁹ VET 217 has a prerequisite of VET 216, VET 220 and VET 285.

¹⁰ VET 230, VET 245 and VET 255 have a prerequisite of VET 285.

¹¹ VET 217, VET 230, VET 230L, VET 245, VET 245L, VET 250, VET 255, and VET 255L are co-requisites.

¹² VET 235, VET 240L, VET 265, VET 265L, VET 275, VET 275L and VET 290 are co-requisites.

¹³ VET 240 has a prerequisite of VET 210, VET 220 and VET 230.

¹⁴ VET 275 has a prerequisite of VET 217, VET 230, VET 245, VET 250 and VET 255.

¹⁵ VET 295 is a capstone course.
