IT 120	Network Operating Systems	TR	12:30 - 2:15	4	X	X

Program Description:

Professionals in this field have day-to-day tasks such as installing/configuring servers, workstation computers, and printers, setting up user accounts and explaining to users how to log on and utilize the network, configuring software solutions for employees as they are needed, and finally, setting up virtualization and storage equipment to facilitate a company's goals. Professional titles are often Server Administrator or System Administrator. Jobs in this area start around \$35,000-\$40,000 dollars based on certifications attained and experience in field.

Notes:

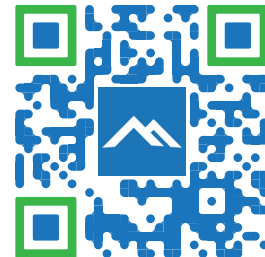

1. Students who do not have a minimum of 18 on the ACT or 480 on the SAT for English will be required to take ENL 095 along with ENL 111.

2. IT 270 - This course prepares students to sit for the CompTIA A+ certification.

* Cabell County students will receive half senior english credit for ENL 111 & ENL 115 will count for the second half english credit. Wayne County students will receive whole senior english credit for ENL 111.

Interested in taking college courses in high school?

About Jump Start

Mountwest Community and Technical College in partnership with Wayne County and Cabell County Schools have created several pathways for high school students to begin the college experience while in high school. With reduced tuition costs and a tuition incentive program, students can attend college for a significant savings. The college schedule is built into the regular school day and transportation will be provided if needed.

Benefits of the Program

- Students will take college courses at a significantly reduced rate.
- Students will earn their high school credits and college credits simultaneously.
- Students can earn up to 24 college credit hours in the first year.

Eligibility

Students must be a senior and have a minimum GPA of 2.0 or above to enroll.
