## Microsoft Certified Solutions Expert – Concentration

Career & Technical Division

### Program Description:

The Microsoft IT Academy at Mountwest Community & Technical College offers training that prepares individuals to design, install, and implement a Microsoft Windows Server environment for enterprise organizations with networks from 500 to more than 2000 nodes. The Microsoft IT Academy Program is a comprehensive-learning program that provides students with the IT skills essential for a global economy. Certified professors offer real-world knowledge and hands-on labs to prepare you for the industry-standard certifications.

### Salary Forecast:

For the most current salary information please refer to the Bureau of Labor Statistics “Occupational Outlook Handbook” found at [www.bls.gov/ooh/](http://www.bls.gov/ooh/).

### Employment Opportunities:

- Network administrator
- Network engineer
- Systems support technician
- Network designer
- Network security systems designer

### Career Outlook:

For the most current information please refer to the Bureau of Labor Statistics “Occupational Outlook Handbook” found at [www.bls.gov/ooh/](http://www.bls.gov/ooh/).

### Program Admission Requirements:

The college adheres to an open admission policy which means applicants with a high school diploma or a GED are eligible for admission. Applicants with neither a high school diploma nor a GED may be admitted on a conditional basis.

### Career Description:

The Microsoft Certified Solutions Expert (MCSE) credential is the premier certification for professionals who analyze the business requirements and design and implement the infrastructure for business solutions based on the Microsoft Windows platform and Microsoft Server software. It is one of the most widely recognized and sought after technical certifications in the IT industry demonstrating to employers, clients and colleagues that an individual has achieved expertise in the area in Information Technology.
