1 Mountwest Way, Huntington WV 25701

Interested in taking college courses in high school?

About JumpStart 2022-2023

Mountwest Community and Technical College in partnership with local county schools has created pathways for high school students to begin the college experience while in high school. With reduced tuition costs, students can attend college for a significant savings. The college schedule is built into the regular school day and transportation will be provided by the county if needed.

Benefits of the Program

- Students will take college courses at a significantly reduced rate.
- Students will earn their high school credits and college credits simultaneously.
- Students can earn up to 24 college credit hours in their Senior Year.
- Students will take courses that transfer to other colleges and universities.

Program Pathways

- Health Science
- Business
- Electronics Technology
- Healthcare Professions
- Legal Studies

- American Sign Language (ASL)
- Early Childhood
- Gen Ed. Transfer Studies
- Network Systems Admin/Information Technology
- Veterinary Technology

Eligibility

Students must be a senior, have a recommendation from a school counselor and a minimum 2.0 GPA
