

**Program Description:**

This certificate program is designed to give students a foundation in American Sign Language (ASL) and to acquaint them with basic issues of concern to the Deaf Community. Furthermore, the program offers an opportunity to individuals already working in the Deaf community to increase their understanding of ASL and Deaf Culture in order to strengthen their knowledge and their communication skills.

*Upon completion of the One-Year Certificate Program in Deaf Studies, the graduate will be able to:*

- effectively communicate with Deaf persons in informal settings in teaching, human services, or health care;
- enhance their credentials for employment opportunities which do not require interpreter certification but do assign value to skills in ASL and knowledge of Deaf culture;
- earn the academic qualifications for entry into advanced studies at universities offering sign language programs.

**Salary Forecast:**

For the most current salary information please refer to the Bureau of Labor Statistics “Occupational Outlook Handbook” found at [www.bls.gov/ooh/](http://www.bls.gov/ooh/).

**Employment Opportunities:**

- Enter an Interpreter Training Program, after which they may sit for certification examination, sponsored by the national licensing organization.
- Seek employment with programs that serve Deaf and Hard of Hearing children.
- A background in ASL and Deaf Studies will be useful in absolutely and field of employment.

**Additional Information:**

Other individuals that can benefit from this program are parents of DHH children and young hearing children, early childhood teachers and child care providers, teacher, paraprofessionals, speech/language pathologists, counselors, interpreters, and medical professionals.
