

## Social Work-Concentration

### Program Description:

The General Studies/Transfer Studies Associate of Arts degree with a concentration in Social Work serves as a foundation for continued studies in education at a four-year institution. In addition to achieving general education credits, this associate degree concentration will help students gain foundational knowledge and skills in social work issues.

### Career Outlook:

Students who earn a Bachelor of Arts in Social Work generally obtain employment in hospitals, mental health facilities, schools, child welfare agencies and other human services organizations. Students completing the Social Work concentration without pursuing a bachelor's degree, may obtain employment.

### Employment Opportunities:

Child, family, and school

Healthcare

Mental Health and Substance Abuse

Other related fields

### Salary Forecast:

For them most current salary information please refer to the Bureau of Labor Statistics "Occupational Outlook Handbook" found at [www.bls.gov/ooh/](http://www.bls.gov/ooh/).
