

Banking and Finance, AAS

Academic Year 2024-2025

Program Description:

The increasing complexities of the banking and financial environment have created the need for individuals who possess a greater diversity of skills. Interpersonal, communication, analytical, decision making, customer service, and computer skills are essential for success in banking and finance. Mountwest Community & Technical College Banking and Finance program provides these skills and provides a background in subject matter relevant to institutions such as commercial banks, savings banks, credit unions, mortgage banks, and other financial institutions. The program is designed for students seeking careers with financial institutions and for those individuals already working for financial institutions, who desire career advancement.

Career Outlook and Salary Forecast:

For the most current information please refer to the Bureau of Labor Statistics "Occupational Outlook Handbook" found at www.bls.gov/ooh/.

Program Outcomes:

- Understand banking and finance terminology
- Apply knowledge of business computer software to financial institution activities
- Apply relevant mathematical skills to financial institution activities
- Demonstrate a working knowledge of ethical, legal, and social skills that relate to the banking and finance environment
- Make decisions after gathering and analyzing information
- Prepare and present written and oral business communication

Program Admission Requirements:

The college adheres to an open admissions policy which means applicants with a high school diploma or a GED are eligible for admission. Applicants with neither a high school diploma nor a GED may be admitted on a conditional basis.

EMPLOYMENT OPPORTUNITIES:

- Beginning personal banker
- Management trainee
- Vault teller
- Trust administrative assistant
- Marketing assistant
- Collections assistant
- Teller supervisor
- Consumer loan assistant
- Commercial loan assistant
- Credit evaluation assistant
- Commercial banks, savings and loans, credit unions and mortgage banks
