

Mountwest Community College, in alignment with the United States Department of Education Regulation 34 CFR 668.43 (a) (5) (v)), is required to disclose a list of states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

Mountwest Community and Technical College programs that may result in a professional licensure or certification include:

- Health Information Technology
- Message Therapy
- Medical Assistant
- Paramedic Science
- Pharmacy Technician
- Physical Therapist Assistant
- Radiologic Technology
- Respiratory Technician
- Surgical Technician
- Veterinary Technology

The chart below includes a determination for each program by state. Meeting curriculum criteria for state educational requirement does not include transferring a professional licensure or certification between states or jurisdictions. Additional requirements to transfer a certification or licensure may apply.

For details regarding initial licensure within a state or transferring professional licensure or certification, visit the association websites listed below for additional information.
