

Health Professions, CAS

Academic Year 2025-2026

Program Description:

The Health Professions certificate serves as a foundation for continued studies at a four-year institution. This certificate is ideal for the student planning to pursue a degree in nursing. In addition to general education credits, students will take several courses that will prepare them for their major/career in a health profession field. Courses include Anatomy & Physiology, Nutrition, Chemistry, Microbiology, and Psychology.

Career Outlook:
