

# General Studies/Transfer Studies, AS Healthcare Professions - Concentration

Academic Year 2025-2026

## **Program Description:**

The General Studies/Transfer Studies Associate of Science degree with a concentration in Healthcare Professions serves as a foundation for continual studies at a four – year institution. This concentration is ideal for the student pursuing a Bachelor’s degree in nursing, medical imaging or respiratory care. In addition to general education credits, students will take several courses that will prepare them for their major/career in a health profession’s field including Anatomy & Physiology, Nutrition, Chemistry, Medical Terminology, Microbiology and Physics

## **Salary Forecast:**

For them most current salary information please refer to the Bureau of Labor Statistics “Occupational Outlook Handbook” found at [www.bls.gov/ooh/](http://www.bls.gov/ooh/).
