Conferences

There's still time to check out the available conferences this semester, this summer, and next semester!

Head over to www.mctc.edu/cetl/ to check out our Conferences section and find the right professional development fit for you!

CETL Office Resources

As we get closer and closer to having our first physical location on campus, the CETL team is building a list of must-have resources, including recording equipment, subscriptions like *The Chronicle of Higher Education*, and more.

Have thoughts on other resources?

The Great Teachers Seminar

This year, the 33rd Annual WV Great Teachers Seminar is being held Monday, June 16 - Thursday, June 19 in North Bend State Park.

The following is a snippet from its flyer:

"The workshop focus is not on teaching specific disciplines, but rather on the art of teaching. The GTS is based on the notion that, if properly tapped, the collective wisdom, experience and creativity of any group of practicing educators far surpasses that of any individual expert or consultant. The structure of the seminar evolves from the initial innovations and challenges workshops."

Want more information? Check out their website:

AI and Its Implications

The CETL will be hosting a panel discussion about artificial intelligence and its uses in the classroom and beyond. This panel will feature members of the faculty, staff, and student body.

Our panelists would love to hear your thoughts! To submit a question for the discussion, please use the QR code below:
