

Allied Health Occupations, CAS

Academic Year 2026-2027

Program Description:

The Allied Health Occupations Certificate Program is a unique opportunity for students, interested in the health care field, to earn a certificate that will help them further this goal. Health Occupations Certificate graduates have a wide range of career options within the Health Science industry. Graduates work in educational services, federal, state, and local governments, or pharmaceutical and medical facilities. The Health Occupations Certificate includes a minimum of 18 general education credits and 12 credit hours of Allied Health credits. This certificate is designed for students who are pursuing an Allied Health AAS program.

Career Outlook:

For the most current career outlook information please refer to the Bureau of Labor Statistics “Occupational Outlook Handbook” found at www.bls.gov/ooh/.

Salary Forecast:
