

Physical Therapist Assistant, AAS

Academic Year 2026-2027

ACCREDITATION:

The Physical Therapist Assistant Program at Mountwest Community & Technical College is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Suite 100, Alexandria, Virginia 22305-3085; Telephone: 703-706-3245; email:

accreditation@apta.org ; website: <http://www.capteonline.org>.

Program Description:

Physical Therapist Assistants (PTA) are educated, skilled healthcare workers who work under the supervision of a Physical Therapist (PT). PTA's assist in implementing physical therapy interventions in accordance with an established plan of care. Physical Therapist Assistants perform various treatment procedures which may involve the therapeutic use of water, massage, ultrasound, and the thermal properties of light and electricity to promote healing and relieve pain. The assistant also implements exercise programs designed for the restoration of strength, endurance, coordination, relaxation, and range of motion.

The program is designed to facilitate problem-solving, critical thinking, group interaction and improved self-assessment skills. The program is designed in a 1 + 1 curricular format. The first year's general prerequisite courses total 31 credit hours, focusing on General Studies. Students receive foundational courses in functional human and neuroanatomy.

Through **selective** admissions, students are admitted into the second year of the program. This year consists of Physical Therapist Assistant Technical Education courses. Second-year courses include a comprehensive curriculum in adult, orthopedic, pediatric and spinal cord rehabilitation. Student will be required to complete 720 hours of full-time clinical education. The costs of clinical education (travel, housing, incidentals) are the responsibility of the student.

Program Outcomes:

- The program will graduate Physical Therapist Assistants as generalists to practice under the supervision of a Physical Therapist.
- The program will enhance availability of physical therapy services throughout the state of West Virginia.
- The program will provide adequate resources to support student learning – including equipment, classroom space, laboratory space, clinical facilities, faculty, and technology.
- The faculty will remain current in the areas in which they teach.
- The faculty will model and provide opportunities to grow in the core values.
- Students will correctly apply theoretical and conceptual knowledge related to practice as a Physical Therapist Assistant.
- Students will communicate effectively and professionally using verbal, written, and non-verbal communication with other healthcare providers and family members.
- Graduates will exhibit a commitment to community service and lifelong learning.
- Graduates will be prepared to enter the workforce and practice as entry-level Physical Therapist Assistant.

Admission Requirements:

Admission to the PTA Program is **selective**. The program seeks to admit 24 students new annually, however this number is not guaranteed.

- Application packets are available after **November 15** from the Allied Health & Life Sciences Division, MB, Room 427 • Application deadline is **March 15**
- Applications are valid only for the noted academic year

Requirement Associated With Completion of the Prerequisite Courses

If you have already taken the basic science courses they must have been successfully completed with the last 7 years in order to receive credit. For the application cycle 2025-2026, the completion date would be no earlier than the spring of 2019 to meet this expectation. Regardless of the grade achieved, students **must** re-take any course not meeting these timelines in order to receive credit toward meeting this admission criterion. Courses completed prior to admission into the PTA Program **must** have been completed with a minimum grade of "C" in order to be considered "successfully" completed. **Admission**

Decisions:

Admission notifications will only be announced after the final spring grades have been posted to the transcript and should occur in mid-May. Admission to PTA program is a prerequisite to all "PTA" coursework.
