The intent of utilizing the web-based comparison tool is to facilitate a method that provides the traveler with adequate information to determine the best and most cost effective method of transportation. The calculation is based on estimated values and results may be skewed; the traveler ultimately bears the responsibility of identifying the mode of transportation that will be utilized considering all direct (fuel, airfare, etc.) and indirect factors (layovers, taxi services, etc.)

To access the website, depress and hold the “Ctrl” key on the keyboard while clicking on the below link:

The screenshot shows a web browser window displaying the Befrugal.com Fly or Drive Calculator. The browser address bar shows the URL <http://www.befrugal.com/tools/fly-or-drive-calculator/>. The website interface includes a navigation menu with steps: 1 Trip Info, 2 Driving Info (Optional), 3 Flying Info (Optional), 4 Flying Cost (Optional), and 5 Results. The main content area compares two options: **Fly** and **Drive**. The 'Fly' option is highlighted with a blue background and shows a door-to-door time of 4 hours, 16 minutes and a total cost of \$858.89. The 'Drive' option shows a door-to-door time of 7 hours, 9 minutes and a total cost of \$115.48. Below the comparison, it states 'Your Trip: Huntington, WV to Atlanta, GA (edit your trip)' and 'Driving Distance: 483 miles'. A 'Flying Details' section lists: Driving time to HTS: 19m, Time at HTS: 1h 30m, Estimated Flying Time: 1h 24m, Time at ATL: 45m, and Driving time from ATL: 16m. A map shows the route from Huntington, WV to Atlanta, GA. On the right side, there are advertisements for Expedia, Amex Gift Cards, and Priceline.com Express Deals (Hotels up to 60% off).
